

Take your SAP®
SuccessFactors®
Learning to the next
level by increasing
efficiency and transparency
of scheduling processes

Built on SAP® Business
Technology Platform

Seamless integration with SAP® SuccessFactors® Learning

Learning Management System (LMS) Planner is a tailored solution with planning and scheduling features that complement and extend SAP SuccessFactors Learning.

Optimize

Improved efficiencies
in resourcing, planning
and scheduling

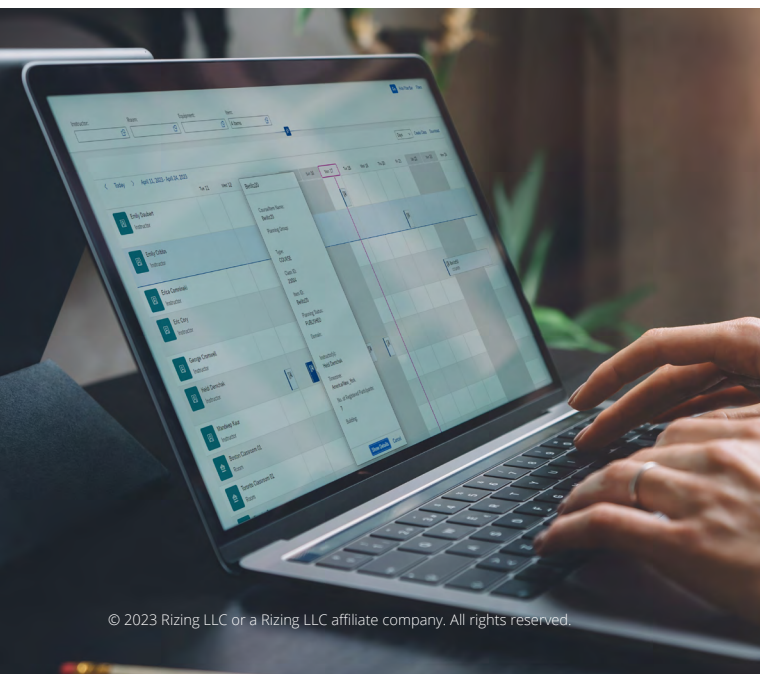

Unify

Centralized access
to scheduling information
and facilitate scheduling

Simplify

Full integration
and automatic data flow
for better data accuracy

Key Features and Functionalities

Planning and Scheduling

Use templates to block
time, create classes,
and resolve conflicts
before publishing.

Administration

Control system
settings and manage
the automatic data
synchronization process.

Calendar Viewing

View classes on a flexible,
filterable calendar view.

Reporting

Search, summarize, and
extract class information.

LMS Planner has organization-wide appeal

LMS Planner meets the needs of multiple departments in your company.
